

The City School

Science Worksheet - I

Name: _____ Class: 2/Sec : _____ Date: _____

Instructions: Make 3 columns on any rough page and label them as;

Material	Properties	Uses/Suitability
----------	------------	------------------

Take a walk around your house and find materials, write their names, properties and uses in each column.

You can use the following word bank for properties. You can use your own as well.

Transparent	Light weight	Stretchy
Bendy	Strong	Absorbent
Dull	Fabric	Shiny
Opaque	Unbreakable	Rough
fragile	glittery	Translucent
